Elections Report

KUMSA 2025–2026 Term Election and Orientation Process Report

1. Start of the Election Process

On August 27, 2025, a message was sent via the KUMSA WhatsApp group asking current members whether they wished to continue in their positions or step down. The date and venue for the new term election meeting were also announced via WhatsApp.

2. Candidate Selection and Pre-Evaluation Process

Students who applied for board positions were selected from among the assistants based on their prior experience and involvement.

During the in-person election process, candidates presented their promises and explained why they wanted to take on specific roles. These statements were taken into consideration during the elections.

3. New Term Election Meeting

On September 19, 2025, new candidates and current board members gathered to conduct the election under the supervision of the election monitoring committee.

The meeting minutes were recorded by General Secretary Ceren LINGER, who decided to continue in her position.

4. Orientation Week

An orientation week was organized between September 19 and October 3, 2025, for the newly elected members.

5. Integration of New Members

On October 5, 2025, newly appointed members were added to their respective working group WhatsApp chats as well as the main KUMSA WhatsApp group.

6. Assistant Selection Process

The assistant selection took place during the club selection week determined by the university. Between October 6–8, 2025, a club stand was set up and applications for new assistant candidates were collected. Additionally, with the permission of faculty members, classrooms were visited to introduce the KUMSA Board and the club's activities.

7. Assistant Recruitment

Between October 8–10, 2025, an online survey was conducted to finalize the assistant recruitment process.

Participation in MSANC / IFMSA Events

- Participation was ensured in the 3rd International Student Congress.
- Participation was ensured in the panel on sexually transmitted diseases.
- Two of our students participated in an exchange program.
- We were unable to participate in the MSANC workshops due to limited capacity.

Challenges & Recommendations

Challenges: The main challenges our local committee faced were limited resources, conflicts among members, and communication problems with the former KUMSA president.

Recommendations: Support from MSANC for limited resources, more information about exchange programs and an increase in medical-related activities are requested.
